

## WELCOME CHALK PRESCHOOLS in Los Angeles

We are very pleased and excited to announce that the five CHALK Preschools in Los Angeles have joined Bright Horizons Family Solutions! CHALK schools are conveniently located in Venice, Manhattan Beach, Westwood, Pasadena, and the newest location in Newport Beach.

**Our relationship:** CHALK and Bright Horizons have had an ongoing relationship for years. Both organizations share a strong commitment to high-quality education for early learners in safe, secure environments and have the ability to meet the needs of children and families.

**Our mission:** We highly value what CHALK has created and believe we are one with our mutual goals to create the best learning environments for preschoolers, supporting the growth of the whole child –emotional, social, physical, and cognitive to develop confident, life- long learners.

**Our curriculum:** A proven curriculum in which CHALK’s degreed teachers create lesson plans individualized to their classrooms and their specific children makes sure they graduate from our programs ready for kindergarten and beyond.

**Our Directors and teachers:** We are delighted that ALL CHALK Directors and teachers are joining Bright Horizons in their same schools and classrooms to continue the amazing work they do as highly skilled professionals.

**Our invitation:** We invite you to visit a CHALK Preschool and discover how families and teachers work together in your local neighborhood to make sure each child’s needs and potential are met. Please contact us at:
