

MAY

OUR GROWING MINDS

CHALK PRESCHOOL OF MANHATTAN BEACH

PURPLE ROOM
MS.KATIE & MS.ELIZABETH

May is here and we have lots of fun planned for it!

During the first week of May we will be celebrating Cinco de Mayo! We will make sombreros, cook our favorite Mexican dishes, and dance salsa.

The second week we will be talking about Mother's Day. Kids will express their love and gratitude to their mothers by making a surprise gift and a beautiful and thoughtful card.

The third week of May is all about gardening. We will talk about all the elements a plant needs to grow, we will prep the soil and plant new plants in our garden. We will also be making cardboard tube caterpillars and

footprint bumblebees for our art activities.

The fourth week of May is dedicated to the Farmer's Market/ Grocery store theme. Friends will make paper plate watermelons, handprint strawberries and make do-a-dot grapes. We will sort fruits and vegetables by colors and pretend to run a grocery store in our dramatic area.

During the last week we will talk about bugs and insects. We will make coffee filter butterflies and contact paper dragonflies. The children will count dots on lady bugs, and make bumblebee patterns. Kiddos will also put their scientist hats on and grow caterpillars into beautiful butterflies.
