Star of the Week

It's the best time of year and it's finally here!! The air is getting cooler and it's time to bring out those cozy scarves and sip some delicious hot chocolate! This month is all about the joyful holiday season!

In the first week of December, we will be talking all about Winter! We will be making snowmen, mittens, winter hats, and a special gift for our families! We will also explore a large sensory bin filled with snow and winter knick knacks!

The second week we will be exploring holidays celebrated around the world! We will talk about Kwanza, Hanukkah, Christmas, as well as other traditions! We will gather around circle time and tell stories about what we all

celebrate. Children will be making a Menorah, a Christmas tree, and a Kwanzaa patterned chain. Finally, we will also experiment with making our very own snow!

The last week of December will be all about New Year's Celebration! We will be making some cool 2019 sunny shades, a clock, and most importantly, a party hat! We will be sorting through midnight clocks, writing our New Year's resolutions for the year 2019 and work together to piece together our 2019 celebration puzzle!

We will be having our annual Holiday Party on Tuesday, December 18th at 10:00 am. Please join us for cookie decorating and some yummy treats! Please check the sign in table for more information!
