December

It's hard to believe that November is over and December is already here! The children in Orange Room have had so much fun this past month learning

around the world! We will talk about Kwanzaa, Hanukkah and Christmas as well as other traditions during the holiday season. The

children will be completing a worksheet inquiring about their family celebrations and holiday traditions. They will also use cut-out Christmas trees with sight words written on them to practice their writing on dry erase boards!

The last week we will be talking all about New Year's Eve

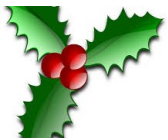

Celebrations. Children will be making 2019 fireworks using toilet paper rolls and glitter to write the numbers of our new year, 2019!

In addition, we will be making holiday gifts for our loved ones!

We will be having our annual Christmas party on Monday, December 17th. Please join us for cookie decorating and our Orange Room party! The children have been rehearsing a special performance to share with their loved ones! Additional details to follow!

about Thanksgiving, families, and being thankful! As we move into the month of December, we will be learning

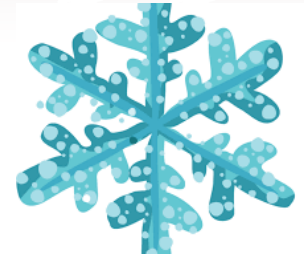

about the holidays and all that it entails! We will be making melted snowmen, fuzzy mittens, silly snowmen, winter hats, and a winter tree. We will also be making shiny snowflakes, decorated with glitter and gems!
