Happy Holidays!

This month we will be learning about all things winter, holidays around the world, and of course a new year's celebration!

The first week we will explore holidays around the world! We will make Menorah handprint paintings, water colored dreidels, and Christmas trees! We will practice counting with gingerbread men and snowmen! We will practice writing the letter of the week in sand and search for our names in the sensory bin!

The second week we will learn about winter. We will make winter hats, drink hot cocoa, and even make our own winter mittens! We will pretend to play with snowballs, make gingerbread men, and learn about 3 little piggies! We will also have our holiday party on Friday, December 14th at 9:30 am!

The third week is all things new years! We will make party hats we can wear for New Year's! We will also make fireworks that we can take home! The kiddos will help conduct an experiment with confetti, baking soda, and vinegar and make observations! We will also learn all about New Year's and have a pretend countdown! The kiddos will help decorate the numbers of our new year, 2019!
