Holiday Hoopla

We are officially in the holiday season and have so many wonderful things planned for this month! During the first week of December will be learning all about winter. Topics include snow, winter weather, appropriate clothes to wear in the winter, fun winter activities, arctic animals, and winter treats. Activities include exploring artificial snow, making mittens and beanies and puffy paint polar bears.

For the second week of December, we will be learning about holidays celebrated around the world. Holidays we will be learning about Christmas, Hanukah, Kwanzaa and Las Posadas. Activities this week include students writing words in a tray of peppermint scented salt. Also, students will use red, green and black colored pasta to make a pattern on a string to make a necklace.

For the third and final week of December, we will be learning about New Year's Eve. Topics include resolutions, countdown, parties, and fireworks. Activities include making an invitation for a party and making a clock to help countdown to the New Year.

We would like to wish everyone a happy and safe holiday season! We will see you in 2019!!
