

DECEMBER

Hello Parents,

We've made it to December! We will kick off the month by learning about Winter. We will read books about snow and what animals do during the winter. We will also be working on our holiday gifts.

The second week we will learn about the holidays people celebrate such as Hanukkah and Christmas. For art the students will paint a dreidel cut out with watercolor paint. We will also work together to create a classroom wreath.

The third week of December will be all about celebrating the New Year. For math we will practice counting from 10-1 like we do during the new year countdown. For art the children will create fun marble painting fireworks.

We want to take this opportunity to wish you all Happy Holidays and a Happy New Year. See you all in 2019!
