

# Orange Room Newsletter

CHALK Preschool Westwood

December 2018

Ms. Shea and Ms. Ashli

Welcome to December! We are thrilled to be beginning our journey into the winter/holiday season. We have many exciting activities planned for this month!

During Week One, the children will explore the season of winter; during the week the children will discuss Winter Solstice, winter clothing, snow, ice, and snowmen. During the week the children will partake in many exciting activities, including making their own snowflakes out of Popsicle sticks!

During Week Two, we will look at different holidays and how they are celebrated around the world. The children will have the opportunity to compare and contrast their own traditions to the traditions of others. The children will also be working very hard on their winter gifts!

Finally, during Week Three, the children will focus on the celebration of the New Year. They will learn about various traditions and materials used for celebration, such as fireworks. In addition, they will talk about resolutions for the New Year. During their exploration of traditions, the children will create their very own Winter Wishing Wands!

We will be ending 2018 on an incredible note and are eager to see all the new adventures and experiences 2019 will bring to Orange Room!

## Birthdays

12/7: Tristan

12/19: Lila

12/24: Anya

12/25: Leo

## Star of the Week

12/3: Elina

12/10: Anya
