

Blue Room News

February Newsletter 2023

This month at school

Welcome to Blue Room! This month we will be learning all about Healthy Hearts! For the first week of February, the letter of the week will be Tt. To start things off we will be talking about going to the doctors, dentist, and even a veterinarian. For literacy, we will work on tracing our names and for the letter of the week we will use dot markers to trace the letter Tt. For art, we will create our very own doctor bags using first aid materials. Parents, please bring in a stuffed animal for your child. We will have our very own animal hospital in Blue Room!

The second week of February, the letter of the week will be Uu. We will be doing all things Valentine's Day! For art, the children will get to create their own Valentine's Day bags so they can exchange cards with all of their friends. On Tuesday, we will be decorating cookies and making fun V-day art all in our best PJS. For literacy, we will be matching our uppercase and lowercase letters. For science, we will be creating our own Valentine's Day slime for the children to take home. For math, we will be identifying patterns of xoxoxo.

The third week of February, the letter of the week will be Vv. This week we will be learning all about nutrition. We will learn about healthy foods and some foods that are not so healthy for us. We will explore playdough and try to form it into the letter Vv. For math, we will sort fruits by color. Our sensory bin will be filled with spaghetti pasta. We will practice holding scissors to cut spaghetti. At the end of the week, we will make a yummy snack "ants on a log". We will use celery, sun butter, and raisins.

For the fourth week of February, the letter of the week will be Ww. We will be learning all about sports, exercise, and body parts. For art, we will be using orange paint and q-tips to create basketballs. For literacy, we will be making a sports flag that will spell out our names. For math, we will be counting how many pentagons go on our soccer ball. While learning about our bodies we will be making Mr. Potato head and identifying each body part.

February B-days

Hamed-2/1
Augustine-2/13

-February 20-School Closed

All about ME bags

Starting in February each student will have a chance to participate in a ME bag. A bag will go home that the children can fill with 3-4 items that help us learn more about them. On Friday they will share with the class.
