

Blue Room News

March Newsletter 2023

This month at school

Welcome to Blue Room! This month's theme is Spring is in the Air!

For the first week of March, the letter of the week will be Xx. To start things off, we will be talking about the weather. For literacy, we will be tracing the alphabet in a cloud (shaving cream). For art, we will be creating a raindrop sun catcher using a coffee filter and watercolors. For science, as a group we will be creating our own rain clouds and tornadoes. Parents, on Wednesday (3/8) please bring in your children's rain boots for pretend puddle jumping.

The second week of March, the letter of the week will be Yy. We will be doing all things St. Patrick's Day and Easter. For art, we will be making bunnies by gluing cotton balls, ears, and eyes onto a paper plate. For literacy, we will be making a rainbow that spells out our names. For science, we will be making a walking rainbow by filling cups with water and food coloring and dipping paper towels in them to predict what happens. For math, we will be color sorting using different color pom poms as bunny tails. Don't forget to wear your green on the 17th.

The third week of March, the letter of the week will be Zz. For art, we will be making handprint sunflowers using our own handprints. For science, we will be planting our own flowers and water them throughout the week. For literacy, we will be using petals and leaves to create the first letter of our name. We will also be doing a color changing experiment with flowers.

For the fourth week of March, the letter of the week will be Aa. We will be learning all about the wetlands and ponds. For art, we will be making our own lily pads by cutting and pasting pieces of green paper onto a lily pad cut out. For literacy, we will be matching alphabet ducks to the letters floating in a pond. For science, we will create our own pond sensory bags. While learning about ponds we will also go fishing in our pretend wetland.

March B-days

Miss Alysa-3/8

Upcoming Events

March 17-St. Patrick's Day

March 20-Spring Begins

April 3-7-Spring Break

Reminders!!!

- Please label water bottles and bedding
- Bring in rain boots 3/8
