

Orange Room Newsletter

Ms.Iris

Happy February! Let's spend this month sharing the love at CHALK PRESCHOOL and being compassionate to others.

To start off February, the theme this week is all about medical workers, veterinarians, and dentists. The letter of this week is letter T. We will be learning what each medical worker's profession consists of and the tools they use in the hospital. For literacy, we will work on story sequencing and retell the story by sorting the images in chronological order and use words to express the story. For math, we will work on counting, addition, and graphing. For art, we be creating a first aid kit and learn what materials are important to have inside the first aid kit. We will also paint an ambulance, and a tooth.

In the second week of February, the theme is Valentine's Day, and the letter of this week is letter U. This week, we have exciting Valentine's crafts! Children will make their valentine cards for their parents, practice cutting different heart sizes, lace a heart shape, and make a valentine wreath. For literacy, we will work on writing the alphabet letters, tracing a valentine book, and work on CVC words. For math, we will work on comparing masses, quantities, and volume, as well as classify objects by size using candy hearts.

For the third week of February, the theme is sports, exercise and body parts. The letter of this week is letter V. This week will be learning about the importance of doing sports or exercises to our body and the benefits of it, and what it does to our body. For literacy, we will focus on sight words by spelling them and building the words using letter beads, writing sport vocabulary words, and identifying upper and lowercase letters. For math we will learn counting the parts of the body and labeling parts of the head and body parts. Art projects will be related to sports, and we will be painting a basketball and cutting a football shapes.

For the last week of February, the theme is nutrition, and my plate. The letter of this week is letter W. This week we will learn all about the healthy and unhealthy food and talk about the types of food that are important to eat. For literacy, we will work on beginning sounds and write a journal about favorite fruits and vegetables. For math and science, we will work on number sequencing from 1-20, and create a poster of healthy and unhealthy food by sorting. For art, we will paint and cut healthy fruit and vegetable and use real fruit and vegetables to create stamp art.

EVERY FRIDAY IS SHOW AND TELL! PLEASE BRING AN ITEM FROM HOME THAT CORRESPONDS WITH THE LETTER OF THE WEEK.

COMPASSIONATE

I care about others. When my friend is sad or hurt, try to help. I never laugh or make fun of people. I understand that peopler all different . Our differences make us special.

Outdoor time begins promptly at 9:00 A.M. We ask that you get to school before so your child can enjoy some free play time outside.
