

PURPLE ROOM NEWSLETTER

Ms. Ambre

Hello November! October flew by and we are excited that winter is almost here! This month, we will be focusing on "Happy Harvest" theme and looking forward to spending time with our families and friends for Thanksgiving break.

This month we will also focus on foreign language as part of our enrichment. We will explore Spanish and French.

Our first week we will focus on Harvest and letter I. Children will make leaf covered pumpkins and scarecrow faces! They will also make a letter I mosaic for literacy and will practice tracing their numbers and build the letter I with Legos with a guide provided!

Our second week, we will focus on maps, globes and traveling! We will make a plane and a watercolor map for art, sort out which animals live on what continent for science and match up flags from around the world! Our letter of the week will be J. We will also make a hot air balloon after reading Oh, the Places You'll Go! and discover what macaroons taste like for enrichment!

For the third week, it's all about Our Community and letter K! We will discuss types of community helpers and even make portraits of our teachers! Children will put together the work piece to the corresponding community helper for math/science and practice cutting letter K for literacy. Children will match mailbox shapes with the correct letter and make a paper plate police car!

Thanksgiving and Native Americans will be focused on for week 4 & 5 and we will continue to have letter K for week 4 and letter M for week 5. Children will be making turkeys out of paint splat and coffee filters for art and make Thanksgiving patterns on the block mats. They will also be making a monster for letter M and get to paint with a corn cob! We will match acorns and squirrels for math and practice our scissor skills on a silly turkey!
