

Purple Room Newsletter

Ms. Ambre & Ms. Mariela

CHALK Preschool of Tarzana

Back to School

Let's welcome Ms. Mariela to the Purple Room! We are so excited to have her join us and thrilled to see what adventures we will have together!

We will start our month by talking about "Me & My School." This will include learning about ourselves and our friends! For literacy we will make our names out of magnetic letters as well as make a classroom rules list as a class. For math & science, we will see who has the most letters in their name and measure to see how tall we are! For art, we will be making self-portraits. What a fun learning week!

During our second week, we will focus on our 5 senses. We will explore spices in a smell test for literacy, do a pop rock experiment for science and paint with tea bags for art.

We will head into our third week learning about Fall. We will make a class list about Fall items for literacy, count candy corn for math and make a marbled leaf for art. We are so excited for the Fall season!

Lastly, we will talk about apples & pumpkins for our last week of September. Kiddos will learn about the life cycle of an apple tree. We will do an apple taste test and graph our results for math and make some silly pumpkins for art!

Reminders:

- Please make sure you are signing your child in/out every day on tadpoles and in the classroom
- Send your child with a **labeled** water bottle
- Take your child's artwork home (Located by hallway door in the bin)
- Letter of the Week show & tell is **EVERY** Friday!
