

March 2020

# Blue Room Newsletter

Ms. Rubi and Ms. Isabelle

## Reminders!

- To wash your child's hands upon arrival
- Reminder to pick up your child's artwork in their folder.
- We are a peanut free school!

## Happy Spring Chalk Families!

Hello Blue Room Families Spring is in the Air. This month we will be focusing on Weather, St. Patrick's Day, the Wetland Habitat, and Spring!

To start off March, the children will explore all the different kinds of weather. Students will create a cloud with raindrops falling down to spell their name!

In week two, the children will be learning about St. Patrick's Day! They will decorate a pot of gold and make leprechauns with their own faces on them.

During week three, the students will learn about the Wetlands Habitat. Children will make a duck with colorful orange and yellow feathers!

During week four, the students will explore the season of Spring! They will make name caterpillars and learn how caterpillars turn into beautiful butterflies!

## Star of the Week:
